

**CITY OF LEON VALLEY
INTEROFFICE MEMORANDUM**

DATE: November 7, 2014
TO: Mayor Chris Riley and City Council Members
FROM: Manuel Longoria Jr., City Manager
SUBJECT: Weekly Update

Summary of Severe Weather: The Police, Public Works, and the Fire Departments worked great together through this week's storm. We recorded 4.8 inches of rain, Poss Rd. and Evers Rd. were shut down during the overnight hours on Tuesday, and then re-opened and drained well through the remaining storm system. No weather related emergency responses were recorded. Also, the City Staff continued to use social media to improve information flow to residents during this event.

Report on the New Fire Station: The rain event this week provided an excellent opportunity to test for leaks in the new roof structure of the fire station, and it passed without problems. The construction of the station remains on schedule with finishes continuing to be installed, including the bunker gear storage lockers.

AQUARIUM ON SCHEDULE FOR DECEMBER 21ST OPENING: We visited with San Antonio Aquarium staff to tour the construction site and see the progress being made. Much of the water filtration equipment has been installed and is being tested. Also, the large exhibit tanks have been installed and are being primed for filling later in the month. While there is still work to be done to complete the exhibit tanks and areas, the Aquarium staff says that they are on schedule to open the San Antonio Aquarium on December 21.

Final touches on the mural have been delayed due to the recent rain in the area. Staff remains in touch with the owner and general manager to keep abreast of the development of the site.

Official ISO rating with TDI takes effect November 1st: Earlier this year through the hard work of the Fire Department staff, the City's ISO rating was improved and recognized by the Insurance Services Offices. As of November 1st, the new ISO rating is effective with the Texas Department of Insurance. Property Owners may see a reduction of insurance premiums.

Upcoming Important Events:

- City Staff Thanksgiving Luncheon will be held Tuesday, 11/18/14 at 11:30 a.m. in the City Council Chambers. Please join us if you can.
- City Hall Offices will be closed in observance of Veterans Day on Tuesday, 11/11/14.
